

Chalet Coco – Honesty Bar

In order to make guest's stay more pleasurable and welcoming (particularly on arrival) we have installed an honesty bar system for wines, spirits, beers and mixers.

The wines have been selected at relevant price points and are tagged with prices. Please mark on the Honesty Bar pad your consumption and the cost will be deducted from your deposit. If you prefer local wines you will find a selection at one of the shops in St Martin. (8 to 8, butchers and cheese shops).
